**Attachments:** Request for additional analyses of NCI formaldehyde cohort based on published results from Beane Freeman et al.docx

Hi Laura,

Thanks for speaking with us the other day. I've written out the specifics of our request. Please let us know if you have any questions!

Once you and your group have had a chance to consider our request, could you let us know what might be feasible and in what time frame? That would be very helpful.

Best wishes,

Tom
